**Maldives Atolls Education Development Project (AEDP: P177768)****Ministry of Education**

Republic of Maldives

TERMS OF REFERENCE**SENIOR ACCOUNTS OFFICER****1. Background**

The Maldives Atoll Education Development Project (AEDP) is organized under Four components: (a) enhancing curriculum delivery; (b) continuing teacher development; (c) measuring and enhancing system performance; (d) coordination, monitoring, capacity building and technical assistance; and (e) contingent emergency response. These components and the activities under them were prepared through a process of consultation and collaboration with the Ministry of Education (MoE); the Ministry of Finance and Treasury (MoFT); the atoll education agencies; public and private employers; academics and school principals, teachers, parents and students. The components and activities are also based on the knowledge and experience gained through the implementation of the Learning Assessment and Measurement (LAMP) Global Partnership for Education (GPE) trust fund.

The Government of Maldives (GoM) is implementing the “Maldives: Atoll Education Development Project (AEDP) Project. The project is funded by the World Bank. The objective of the project is to increase access to education and enhance the quality of secondary education.

Component 1: Enhancing Curriculum Delivery and Increasing Higher Secondary Participation

The objective of this component is to promote strategic initiatives at the country level to strengthen and develop the general education system with a special focus on secondary grades. The activities under this component will be mainly implemented by schools with policy and technical support of the Ministry of Education (mainly PPR and School Administration Section), National Institute of Education (NIE), and the Department of Inclusive Education (DoIE).

**Maldives Atolls Education Development Project (AEDP: P177768)****Ministry of Education**

Republic of Maldives

Component 2: Continuing Teacher Development

The component will assist GoM to carry out a program of continuing teacher development activities. The activities under this component will be mainly implemented by schools with the policy and technical support of the NIE.

Component 3: Measuring and Enhancing School and System Performance

The component will assist GoM to measure the performance of the school system through quality assurance activities and national assessments of learning outcomes. The activities under this component will be mainly implemented by the QAD, and by schools with the policy and technical support of the QAD.

Component 4: Coordination, Monitoring, Capacity Building and Technical Assistance

Under this component the Project will help the MoE to coordinate and monitor the Projects' activities, as well as provide technical assistance and knowledge support to the MoE's agencies and to schools.

Effective implementation of day-to-day operations is extremely important for the success of the AEDP. In particular, the project will have a strong emphasis on managing the resources which are dedicated to the delivery of the services critical to the achievement of the target results of the AEDP, including the intermediate outputs, outcomes, and overall project outcomes. The Project Officer will be responsible for assisting the AEDP OMSU to establish, maintain, and implement sound operations and monitoring systems.

2. Objectives

The S. Accounts Officer will be appointed to assist in all financial management aspects of the project. He/she will be responsible for ensuring that all the activities under the project compliance with financial management requirements of the World Bank Regulations and the Government of Maldives Regulations by setting up a financial management system for the project that will ensure that project funds are used for the purposes intended will due consideration to economy and efficiency.
