## FOREWORD

Ministry of Education takes pleasure of presenting *School Statistics 2012*, to provide policymakers, educational planners, administrators, researchers and other stakeholders with suitable and effective statistical information.

This publication is an integral part of the Educational Management Information System (EMIS) which is an essential source for quantitative educational data which reflects the improvement in educational policies and educational development in Maldives.

We have been carefully and continuously collecting, analyzing, revising and updating the qualitative and quantitative data to make it as interpretive as possible, to ensure accuracy and reliability.

We thank all who have contributed by providing the requested data to complete and make this publication a success. We thank the schools for their part in providing the data, the bodies within Ministry of Education for their tireless and valuable contribution and commitment in the preparation of the book, and also, the Department of National Planning (DNP) for providing us with the data on population.

We hope that *School Statistics 2012* will fulfill its objective of providing essential information to the education sector.
